

SANDTON – ALICE LANE

Alice Lane is ideally located adjacent to Sandton City, with close proximity to freeway access routes. Access to all world class amenities is within walking distance and the Gautrain station is in close proximity to the site, with a Gautrain Bus collection point on the corner of 5th Street and Fredman Drive.

Sandton has been named the financial and premier business centre of Johannesburg as well as the financial hub of Africa, with Nedbank, RMB, and JSE having their head offices situated within Sandton. This prestigious development promises to not only enhance the brand awareness of its tenant mix but also to secure a prominent corporate presence in Africa's most exclusive business node.

The total development comprises of 35,000m² of bulk to develop. The First Phase of 13,500m² is situated on the corner of Alice Lane and 5th Street and has beautiful views of Bryanston. Ground has been broken on this phase and will be completed in Oct 2012.
