

McDONALD'S McCAFE OPENING AT CENTURION LIFESTYLE CENTRE

Centurion Lifestyle Centre eagerly awaits the opening of the new exciting McDonald's McCafe. This magnificent new restaurant will be ready serve 1 October 2010, so keep your slippers on and get yourself over to the drive-thru and order your favourite McMeal!

McDonald's opened its first restaurant in South Africa in November 1995 and is successfully operating 123 restaurants in all nine provinces. South Africa is one of the most successful markets in McDonald's international history. A record was set when South Africa opened 30 restaurants in just 23 months, at one stage opening 10 restaurants in 78 days.

McDonald's has already invested more than R750-million directly into the South African economy and they are committed to the success of the South African market.
