

NEW TIGER WHEEL OPENS ITS DOORS CENTURION

No need to worry about where you can find your new set of tyres as the owners of Centurion Lifestyle Centre are proud to announce the addition of a Tiger Wheel & Tyre outlet. The new Tiger Wheel & Tyre building will be situated on the left hand side of the main entrance and is due to open the first quarter of 2011.

Tiger Wheel & Tyre (a division of TiAuto (Pty) Ltd) traces its origin as far back as 1970. It operates in the Southern African region, including Namibia, Botswana, and now also in Mozambique.

The core business of Tiger Wheel & Tyre is the marketing of premium branded aluminum wheels, passenger tyres, high performance tyres, 4 x 4, LDV and SUV tyres complimented by related services. Tiger Wheel & Tyre commands a dominant share of the exclusive automotive alloy wheel market and enjoys a major share of the Southern African tyre market.

The Tiger Wheel & Tyre portfolio comprises of more than 74 custom designed, state of the art stores, all of which are strategically located. Tiger Wheel & Tyre pride themselves on excellent service delivery, always ensuring that their image projects a nationally uniform corporate identity, both internally and externally.

Tiger Wheel & Tyre compliments the already well tenanted centre to create the ultimate one stop destination. Not only can customers shop, eat and have their hair done, they can have their wheels and tyres checked at the same time!

The new store will be situated along side MacDonalds which has already opened, a Blue-line Checkers which is trading well above expected, a Wimpy and revamped Mr. Price Sport. Accessibility is an important factor and customers will be able to gain easy access via the main entrance circle to the left which leaves a short walk to the shopping centre.
