

RIVERSIDE OFFICE PARK - (HENNOPS HOUSE)

Hennops House, the second building at Riverside Office Park. It was recently completed and is already fully let. Hennops House totals a size of 4,800 m². Tenants include Integrat, Vibrant Veterans Mineral Resources, Wholesale & Retail Seta and Sephaku Management.

The Hennops House building is right on the Hennops River with beautiful views of the river. The owners of the Riverside Office Park will maintain and clean the Hennops River area in front of Riverside Office Park. All alien trees along the river front and bordering the office park were removed and beautiful landscaping, walkways and benches have been introduced. A full height electrical Clear View fence was erected on the border of the river which creates a feeling of space to the park, while keeping it secure

A coffee shop with a wooden deck facing the river will be added to Hennops House when the park has been completed. The owners of the building are Manaka Property Investments, Centurion Investments, the Moolman Group and Abland.
