

WONDERBOON CARVENIENCE

This newly renovated motor city, with exposure onto Lavender Street, is phase one of this ever growing retail node. The following tenants have already begun trading, Kia, Renault, Daihatsu Battery Centre and MFC Filming.

The next phase of this redevelopment will include the upgrading of the existing building on Pietro street, relaying the parking area and the introduction of landscaping.

The completion date is set for June 2012 and once complete will give Wonderboom Carvenience approximately 10 000sqm of GLA.
